The 4-H program is a community organization for young people between the ages of 9 and 21 years old. The primary purpose of the 4-H program is the development of youth in Ontario. Members are encouraged to develop their self-confidence and leadership skills while having fun. The 4-H Ontario Vision is to be recognized for delivering quality, innovative and sustainable leadership and life skill programs for youth and volunteers; who benefit the citizens and communities in which we live.

The Dundas County 4-H Association welcomes 4-H members in Dundas County to attend their Achievement Program and showcase their projects and what they have learned. 4-H members will be exhibiting their 4-H projects from all aspects of the 4-H Program in Dundas County.

You can visit the Dundas County 4-H Achievement Display in the Exhibit Hall where a variety of exhibits are displayed during the fair. On Saturday, the 4-H Dairy Achievement Program will commence at 11:00 a.m.; on Sunday 4-H Beef Achievement Program will commence at 10:00 a.m.

For over 100 years, 4-H Ontario volunteers, members, and staff have worked together to create one of the foremost leadership programs for youth. For details on 4-H, please visit the website at www.4-hontario.ca.
